

Enjoy your Pony Hops!!

ONLY 1 RIDER AT A TIME ON EACH PONY HOP! MULTIPLE RIDERS INCREASE THE RISK OF INJURY, SUCH AS BROKEN BONES (HEAD, NECK, LEG or BACK)

EARS ARE NOT HANDLES! PLEASE USE THE BLACK HANDLE(S) LOCATED ON THE BLUE SLEEVE/COVER. LEAKING FROM THE EARS WILL NOT BE COVERED UNDER WARRANTY!!!

DO NOT ATTEMPT TO DO ANYTHING ELSE, BESIDES RACING ON FLAT SURFACES! HORSING AROUND CAN CAUSE SERIOUS INJURY AND SHOULD BE PROHIBITED!

ALL SIZES HAVE A 750 LB WEIGHT LIMIT

USING AN AIR COMPRESSOR WILL CAUSE THE PONY HOP TO OVER INFLATE! ONLY USE APPROVED INFLATION DEVICE!

KEEP AWAY FROM SHARP OBJECTS!
SHARP OBJECTS MAY CAUSE YOUR PONY HOP TO LEAK OR BURST.

MAKE SURE YOUR ON THE CORRECT SIZE PONY HOP.
THIS INSURES A GOOD EXPERIENCE AND LESS MANPOWER TO OPERATE.
