The Wheel

The game of American Roulette is played on a wheel which consists of thirty-eight slots, each with its own number. The numbers on a Roulette wheel are 1-36, 0, and 00. The numbers alternate pairs of odd numbers with pairs of even numbers. The numbers also alternate between black and red. Both the 0 and 00 slots are green. A dealer, or croupier spins the wheel in one direction and then rolls a small ball in the other direction. The ball then drops into one of the slots as it begins to slow down.

The Table

The table is designed so that the numbers, not including 0 and 00, are lined up into three columns, each of twelve numbers, the first row is 1,2,3; the second row is 4,5,6 and so on. The rest of the table is devoted to the myriad bets the game entails. Betting is broken down into two major categories, inside bets and outside bets. There is no limit to the number of bets one can play

Inside bets
